

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of a smear campaign and that is not what my country stands for!

I will do all I can, as an American Citizen, to encourage the FCC to not renew your license. Do not underestimate the power of the pen!

Abuse of power only reinforces the anti-large company feelings. I live north of Pittsburgh and am not sure if your stations are in my area, but your tactics will surely affect future viewing.

Most Sincerely,
Linda and Tim Snyder
